Dear Dave:

Thank you very much for sending me a copy of your recently published article on: "How Good is Polio Vaccine?." You have a remarkable grasp of the situation and I only wish I had read it before the Albany meeting so that we might have had an opportunity to discuss some of the points that you raised. However, I hope there will be another time before too long.

With kindest personal regards.

Sincerely yours,

Albert B. Sabin, M. D.
