Dr. Albert B. Sabin  
The Children's Hospital Research Foundation  
Elland Avenue and Bethesda  
Cincinnati, Ohio

Dear Dr. Sabin:

Sorry to have been so long in acknowledging your letter of January 10 and the B virus. I had no difficulty in getting "takes" with this lot, and don't know why the first lot failed. I did not test the first lot myself, but I understand that the instructions were followed in detail.

Many thanks and best regards.

Sincerely yours,

  
E. W. Schultz, M. D.
