

The Rockefeller Institute for Medical Research
Princeton, New Jersey

22 May 1944

Mr. B. M. Free.
New Jersey Telephone Co.,
Flemington, New Jersey.

Dear Mr. Free:

Since last week I have tried unsuccessfully to reach you on the telephone to inquire about the status of the installation of a telephone for my use at the Sylvia Sidney farm.

The lack of a telephone is seriously interfering with my work and I would appreciate it very much if upon receipt of this letter you would get in touch with me at Princeton 2296, Extension 18, collect, to let me what the present situation is.

Very truly yours.

Albert B. Sabin,
Major, M.C.
