Monday, Jan. 12 - Meetings at SCLAVO with technicians

Tuesday, Jan 13 - morning continuation of meetings at SCLAVO
- 3p.m. Depart to Rome

Please let us know if you agree with the above in order to arrange for your ticket

Our first inquiry report that Fondazione J.A. _____ is not very well known. It seems to be addressed towards pedadoagogical problems more than medical ones. In any case if we get around to knowing more will contact you.

Warmest regards to Heloisa and you

Francesco
